

THE CHRIS ATWOOD FOUNDATION

RECOVERY HOUSING GRANT APPLICATION

The Chris Atwood Foundation (CAF) is a 501(C)(3) non-profit organization founded in memory of Chris Atwood, who lost his battle with substance use disorder at the age of 21 due to a gap in recovery care. The CAF saves lives and supports recovery by providing access to safe and supportive recovery housing during transitions in care, re-entry, and other circumstances.

The CAF accepts housing applications in the Northern Virginia area which includes Alexandria and Arlington City, and the counties of Fairfax, Loudoun, and Prince William.

You **must** be accepted at a recovery residence before submitting your application. It will not be processed if there is missing or incomplete information.

The information collected below is 100% confidential and is used for internal data purposes only. Please be assured that your honest answers will not be a barrier to you receiving a CAF Recovery Housing Grant.

We want to help you as best we can, so answer with as much information as possible. Thank you.

We appreciate you.
